COLLEGE OF
Saint Benedict

In 2008 the Minnesota State Legislature added language to the Higher Education Policy Bill that allows disclosure to a parent of a student at an institution of a post-secondary institution regarding the student's violation of any federal, state, or local law, or of any rule or policy of the institution, governing the use or possession of alcohol or of a controlled substance, to the extent authorized under United States Code, title 20, section 1232g(i), and the Code of Federal Regulations, title 34, section 99.31(a)(15), and provided the institution has an Information Release Form signed by the student authorizing disclosure to the student's parent.

If you wish to have information released to your parent, as described above, this form must be completed **by you, the student,** and returned to the address at the bottom of the form. Please be aware that the consent provided in this Form is only valid if the student has authorized disclosure to a parent and has not rescinded the authorization in writing.
