INTERNATIONAL TEACHING EXTERNSHIP

What is ITE?

- Post-student teaching international experience
- This four-week externship begins soon after completion of teaching internship (student teaching)
  - Mid-January—mid-February for those student teaching in fall semester
  - Mid-May—mid-June for those student teaching in spring semester
- Teaching assistant, team-teacher with an international educator

How does ITE work?

- Apply the semester before student teaching
  - Early November – if student teaching in spring
  - Early April – if student teaching in fall
- If accepted, you would be registered for EDUC 368 (1-2 cr) the same semester of student teaching
- Attend two orientation meetings the semester before student teaching
- Successfully complete student teaching

How does ITE work?

- Soon after graduation depart for host country
  - Mid-January for fall student teachers
  - Mid-May for spring student teachers
- Work with on-site cooperating teacher
- Complete four-weeks, submit reflection assignment for EDUC 368
- When return, attend one 'welcome back' meeting

What does ITE cost?

- EDUC 368 (1-2cr) NO additional tuition
- ITE Externs pay for their personal transportation, lodging, meals, visa, travel insurance, and entertainment costs
  - 2013 estimated costs
    - $3,500 Germany
    - $3,200 Belize
- ITE Externs receive a $500-$800 stipend to be paid with receipt of booked airfare
