# Give Saint Ben's!

**It's simple, it's sustainable,  
and it continues the Saint Ben's tradition.**

Benedictine values are a distinctive and deeply rooted part of our campus culture. The values of stewardship and sustainability are central to our mission as a college and guide our commitment to Saint Ben's students. Beginning an automated giving plan is a purposeful decision - reduced paper waste and postage costs allow the college to be better stewards of natural resources, as well as your gift. Your contribution is deducted automatically from the account of your choice (until you tell us to stop). Simple! Plus, spreading your gift over time is easier on your budget and provides Saint Ben's the security of a steady, reliable stream of support. You'll feel good knowing that your gift will provide Saint Ben's students the opportunity to experience this extraordinary place year after year.
