TRAVEL IMMUNIZATIONS

The CSB Health Services provides travel consults for CSB students. Please be aware that CSB Health Services does not carry all of the vaccines that are recommended or required to travel.

The following vaccines are available **for a cost** at CSB Health Services:

- Hepatitis A
- Hepatitis B
- Influenza
- MMR-Measles, Mumps, Rubella
- Tdap-Tetanus/Diphtheria/Pertussis

Note: Typhoid vaccine and anti-malaria medications can be prescribed.

Other vaccines that you may need that are not carried at CSB Health Services are:

- Yellow Fever
- Japanese Encephalitis
- Polio
- Meningococcal
