

**HONOR CODE FOR OFF-CAMPUS PROGRAMS**  
**College of Saint Benedict | Saint John's University**

I, \_\_\_\_\_ (print name) agree to abide by the following code of conduct during my off-campus program in \_\_\_\_\_ (country or site name) during the Fall Semester/Winter Break/Spring Semester/Spring Break or Summer Term (circle one) \_\_\_\_\_ (year).

1. I recognize that, in the eyes of the citizens of my host site/country, I represent the values of both my academic institution and my home country. My behavior – both in the form of my personal expression and actions – will therefore influence how both I and future visitors from CSB-SJU will be viewed and treated in the host country.
2. I understand that my primary purpose in experiential off-campus learning is to participate in the academic program offered by CSB-SJU and to learn about the host culture.
3. I will strive to respect and learn from both the members of the host community and the instructors in my program, even when I do not understand or agree with them.
4. I agree to avoid participating in acts of public drunkenness, violence, drug use or other illegal, anti-social or culturally inappropriate behavior, and understand that such acts may have serious legal consequences in the host country. I also understand that neither CSB-SJU nor the US Embassy has any authority to exempt you from local laws that may require fines or incarceration for such acts.
5. I commit myself to abiding by the security guidelines set forth by my program director, the host institution, and my home university – including rules regarding behavior that may adversely affect the educational experience of other students in the group – such as class absenteeism due to travel or substance abuse, or rowdy behavior in the shared residence halls at times normally used for study or sleep, and the observance of any rules that may be adopted from time to time by the director to insure the quality of the academic experience of the group.
6. I agree to take adequate travel precautions – based on the advice of the Program Director and the host institution – when traveling within the host city, region, and country, so as to ensure my safety and that of my group mates.

**I understand that a violation of any aspect of this commitment may result in my being asked to leave the program on short notice with forfeiture of credit or in other disciplinary measures.**
