Hey ______.

As a member of the ’01 Class Committee, I’m writing you today with a reminder about the Annual Fund. While we are hard at work promoting our reunion and a _____event in the Summer, we also work to raise awareness about giving back.

I’m sure you’ve received letters from SJU this year, so I’ll save the long-winded appeal. But I would encourage you to make a gift this year if you haven’t already. Any amount: participation is what counts! Our class participation is currently at 14.76 percent.

If you’re interested in further information, take a look at this link: http://www.csbsju.edu/sjualum/Supporting-SJU/Annual-Fund.htm

I’ll plan on following up with you via phone in the near future. It would be great to chat anyway.

Thanks,

__________
