CONFERENCE

Small Group Share

- With a partner discuss for a minute:
 - Introduce yourself.
 - Where are you in the process?
 - Possible focus?
 - Possible location?

Disclaimer: This session is intended to provide you with resources that will allow you to explore the possibility of graduate school. We are focusing on providing information that might otherwise be difficult for you to access. We will not be spending time on how to write a grad school essay, how to get great GRE scores or who to ask for a letter of recommendation. These questions are best addressed with your home university's career center.

Overview

- Graduate school process
- Graduate degrees with an international focus in the United States
- Graduate schools abroad
- Things to consider & additional resources

Graduate School Process

- Get to know home university's career center
- Attend an info session
- Take graduate exams
