If your international flight arrives late at night after hours I recommend that you call me at home and I will give you instructions about what to do. In an extreme emergency seek overnight accommodations near the International Airport and call us for further instructions. Never take a taxi cab from the International Airport to CSB/SJU as the cost is prohibitive. The Comfort Inn, 1321 78<sup>th</sup> St. Bloomington, MN is recommended (PH: 952-854-3400). A free shuttle service to the Comfort Inn is provided to and from the International Airport. Ask at the information desk located in the lower level of the airport.
