## — Help us bring kids to the Arboretum

- # More than **6,000** preK-12th grade students come on field trips to the Arboretum every year!
- # Saint John's Arboretum reimburses schools for **\$14,000** in bussing fees every year, a unique aspect of our program.
- # Transportation costs are the **#1** reason given for not scheduling field trips for students.
- # This year, we're asking members to help us raise **\$7,000** to cover **1/2** of our bussing costs.

Visit our web site to watch the buses fill up with students all year!
