

Saint John's Arboretum Presents

Minnesota's Amazing Animals

Learn about *Minnesota's Amazing Animals* at your library with Saint John's Arboretum!

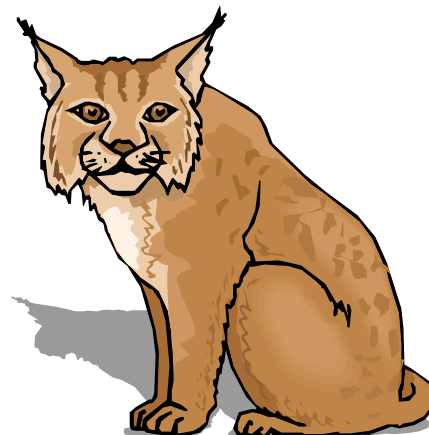

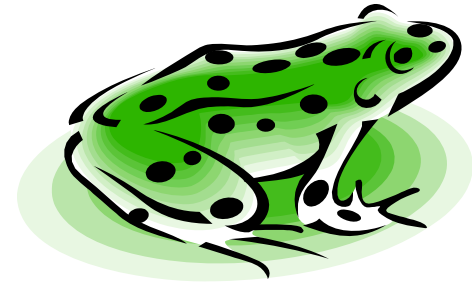

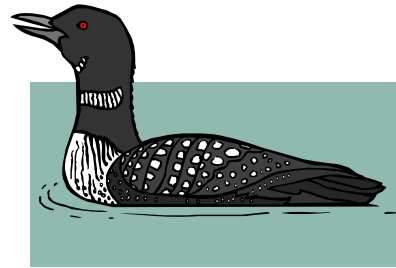

Find out...

How are loons able to dive so deep?

How far can a frog jump?

Can bats see at night?

Discover the answers to these questions and more during *Minnesota's Amazing Animals*, a one hour event educating children on the incredible adaptations of Minnesota's wildlife through interactive games, storytelling, and an art project!

For more information and scheduling, please contact:
