

# HIBBING COMMUNITY COLLEGE

**T**he College of Saint Benedict (CSB) and Saint John's University (SJU) welcome Hibbing Community College transfer students. All courses from an official transcript will be evaluated to determine which of our Core Curriculum requirements they will fulfill.

Transferable courses are defined as *courses that are similar to a course offered at CSB/SJU, in which a grade of "C" or better was received, and that have a course number 1000 or above*. Note: A minimum of three semester credits is required to complete a CSB/SJU core curriculum requirement, with the exception of fine arts.

At least 45 of the 124 semester credits required for a degree must be earned from CSB/SJU. At least half of the credits required for the major, excluding supporting courses, must be earned from CSB/SJU.

Finally, it should be noted that this guide is designed as one tool to aid in your course selections for transferring to CSB/SJU. If you have any questions, we encourage you to contact Teri Durbin, our Transfer Student Coordinator, at 800-544-1489 and/or the counseling department at Hibbing Community College.

**This agreement is not to be used as an official document in the transfer of courses. CSB/SJU reserve the right to make updates or changes to these guidelines at any time.**

Listed below each of the CSB/SJU Core Curriculum requirements (bolded) are the Hibbing Community College courses that fulfill that specific requirement.
