COLG 280-05A: Rome, Florence, Munich: Arts & Ideas, 1 credit
Faculty Moderator – Mark Thamert, O.S.B.

Dates: July 13 to August 2

Grading: normal (A-F and S-U)

Rome and Florence feature – each city in its own way -- the art and architecture of Byzantine and Romanesque periods as well as the Renaissance and Baroque periods. This course will stress the most important features of each of these artistic periods as well as the intellectual movements which gave rise to such significant changes the artistic expression from the Byzantine period to the Baroque and Rococo. Then students will compare the Italian manifestations of these periods with the art and architecture of Munich. By the end of the course students will be able to identify the artistic period of several works of art and architecture and also describe the main intellectual focus of each period.

Approximate Cost: \$2700
