Founder's Day Tea

On Monday, October 22nd Kappa Phi had a tea for all the nursing students at the College of Saint Benedict/Saint John's University to inform them of Sigma Theta Tau International (STTI) and the local chapter, Kappa Phi-at-Large. Students came to the event on 4th floor of the Main Building and asked questions and were given a brochure explaining the organization. Those who were eligible were encouraged to join. Cookies and tea were provided for everyone. On Thursday of the same week, a Founder's Day Tea was served at Saint Cloud State University. Students were invited to attend and get information on STTI. They were encouraged to join the Kappa Phi-at-Large Chapter. At Saint Cloud State University they served hot cider and cookies to the students.
