

Colman T. Silbernagel

FOR SAINT JOHN'S SENATE Activities and Allocations Board

My name is Colman Silbernagel. I am a junior History major from Perham, MN. I have had the privilege to represent the student body for a year and a half, first as Board Auditor and then as Vice President. I would like to continue serving, which is why I am running for the SJS Activities & Allocations Board. The Senate exists as a voice for the students, and I plan to continue that. My goals for the Saint John's Senate include:

- Continue to improve the allocation process, working for a fair, efficient, and timely distribution of funds.
- Help Saint John's clubs better access and use their money.
- Investigate the feasibility of a spring funding cycle, thereby allowing clubs to use their money the first day of the new school year.
- Improve the auditor-treasurer relationship.
- Revamp the fall all-club meeting into a brief, targeted session.

I would like to build upon the progress of the current senate and work to:

- Improve communication between students and the Senate, as well as bettering Senate outreach.
- Build upon the existing relationship between the SJS and St. Ben's Senate.
- Establish and adhere to daily office hours.
- Install public grills near on-campus apartments.
