FOR SAINT JOHN'S SENATE

Activities and Allocations Board

My name is Corbin Cleary and I am a sophomore philosophy major from Sioux Falls, South Dakota. I believe that the St. John's Senate can do a better job of meeting the needs of the student body, which is why I have decided to run for a seat on the Activities and Allocations Board.

To fulfill the need and desire of the student body for better programming, I will:

- Strive to make the budget process more open, providing more access to the student body relating to allocations of the student activity funds
- Increase student involvement in the budgeting process
- Ensure that the Student Activity Fund actively funds the interests of the students
- To Remove partisanship from the funding process.

In addition to continuing the current work of the Activities and Allocations Board, I want to:

- Provide an online resource for students with a summary of the budget and club funding. As it is students' money, they have the right to know how and where it is being spent.
