

George Ashenmacher

FOR SAINT JOHN'S SENATE

Student Services Board

My name is George Ashenmacher and I am a sophomore political science major and history minor from the small town of Knife River, outside of Duluth MN. I'm running for Senate because I feel I have a good understanding of student's concerns and needs, and I want to apply my strong work ethic towards helping the Saint John's community in what I see is the best way I can: by becoming a Saint John's Senator. I would like to represent the students' views as best as possible during my term. I have many goals for the senate, including:

- Gain more progress towards a fair and unbiased allocation process regarding the allocation of the Student Activity Fee.
- Addressing student's specific concerns and voicing them as best I can.
- Gather students' opinions as to how they want their money spent so that the Co-Funding Board reflects as accurately as possible the student's wishes.
- Make sure that clubs are using their money appropriately so that the students who pay now are the same students who benefit.

I would like to build upon the progress of the current senate and work to:

- Further encourage dialogue between the different interests on campus so as to promote an atmosphere where the student body feels they can speak up.
 - Get more HD channels available for Johnnies, including ESPN HD.
-
