

**Joel Stanek**  
For Saint John's Senate  
*Judicial Board*

My name is Joel Stanek and I am a sophomore music major from Little Falls, MN. I am interested in addressing issues that pertain to the Johnnie community, and this is why I want to represent the student body of St. John's University. I have many goals for the senate, which include:

- Bringing issues that Johnnies see as important to the attention of the Senate
- Acting as a fair and reasonable member of the Student Parking Appeals Board
- Working with the members of the Saint Benedict's Senate to strengthen the connection between the two institutions
- Cooperating with all members of the Senate to make St. John's University the strongest community it can be

What I hope for most is the opportunity to be the person Johnnies can come to so that their voice can be heard. I hope to bring a new perspective to the senate and to work for the student body by advocating a stronger Benedictine community for Johnnies through listening and hard work.
