

Kamau Joseph

FOR SAINT JOHN'S SENATE

Judicial Board

My name is Kamau Joseph and I am a sophomore, Political Science and Computer Science double major, from Trinidad and Tobago. Over the past academic year, I had the amazing opportunity to serve the student body as the Student Affairs Representative on the Student Affairs Board. I am running again because I truly wish to continue to serve the student body, but this time in the capacity of the Judicial Board. If selected, I will continue to work most diligently in an effort to best represent the students' views as best as possible during my term. My goals include but are limited to:

- Ensure that the senate food committee is no longer dormant and better serves the needs and concerns of the student body
- Continue to build better relationships with our surrounding community
- Strive for students' voices to be paid attention to with regard to campus policies and procedures

I would like to build upon the progress of the current senate and work to:

- Further the investigation of having both more effective and critical teacher evaluations
- Ensure that students have the best representation possible with regard to each and every position on the Judicial Board and make accountability our number one priority
