

Nicholas Novak

FOR SAINT JOHN'S SENATE

Judicial Board

My name is Nicholas Novak and I am a junior accounting major from St. Cloud, MN. I want to represent the student body, which is why I am running for the SJS Judicial Board. I would like to represent the students' views as best as possible during my term. I have many goals for the senate, including:

- Gain more progress towards a fair and unbiased allocation process.
- Gather students' opinions as to how they want their money spent so that the Co-Funding Board uses the students' money as students see fit.
- Make sure that clubs are using all of their money so that the students who pay now are the same students who benefit.

I will strive to:

- See that student parking is and remains student parking.
- Work with Life Safety to revamp the parking system; so student's busy lifestyles are not made worse with illegitimate parking fees and consequences.
- To ensure Trayless Tuesday, and things of the like, are not permanent and prevented in the future. So student life on campus is unaffected and not interrupted by unnecessary events.
