

**Patrick Niyibizi**  
For Saint John's Senate  
Activities and Allocation Board

My name is Patrick Niyibizi and I am a first year student from Rwanda. I am an Accounting and Finance major with minors in Economics, Spanish and Management. I am running for Activities and Allocations board to ensure that our money is going to right programs and activities especially in these times of financial turmoil and spending cuts. If elected, I will actively work to represent students' views on the Activities and Allocation Board. My goals for the senate are:

- Allocate money to clubs and activities that will efficiently use these funds
- Encourage more club leaders and members to approach the board with ambitious ideas for future projects
- Promote transparency and reduce wastage of monetary resources
- Work closely with students to ascertain which programs they want to be more funded and dynamically work towards achieving this.

I will build upon and maintain the goals and accomplishments of the current board:

- Build a strong and healthier relationship with the Co-Funding Board Advisor.
- Accomplish full club compliance with spending rules.

In conclusion, I encourage everyone to vote so that we can all work towards a more transparent dispensation of our resources.
