

Nick Zweber

FOR SAINT JOHN'S SENATE

Men's Issues Representative

My name is Nick Zweber and I am a freshman biology major from New Prague, MN. I want to represent the student body, which is why I am running for the Men's Issues Representative. I would like to represent the students' views as best as possible during my term. I have many goals for the senate, including:

- Improving meals and beverages at the refectory, such as adding an Icee machine
- Adding a stereo system to the weight room.
- Ensuring that all student activity fees are being used wisely.
- Cutting costs of Sexton's food prices.

I would like to build upon the progress of the current Senate and work to:

- Renovating lounge and recreational space like the improvements made in Tommy Hall's basement.
 - Building a stronger relationship between the Saint John's Senate and Campus Ministry
-
