### *Saint John's Senate*

We are two sophomores seeking reelection to the Saint John's Senate. We will both be studying abroad during the next school year (Tom Joyce in the fall and Tom Hoffman in the spring) and therefore have decided to run together on a joint ticket. Tom Hoffman is majoring in Economics with minors in Spanish and Management and is the existing JEC & Campus Events Representative for the Saint John's Senate. Thomas Joyce is majoring in Management with a minor in Psychology, and is the existing Public Relations Representative.

This semester we have worked hard to complete our respective duties, as outlined in the SJS bi-laws. Throughout this year, we have become deeply involved in projects such as the following:

- Recently becoming involved in planning stages of a Frisbee Golf Course with Senator Kohout (Both)
- Interviewing candidates, with the JEC Co-Chairs, for next year's JEC Executive board
- Proud member of the Student Advisory Board (Hoffman)
- Working at numerous JEC events throughout campus (Hoffman)
- Establishing a Senate Radio Show to ensure efficient communication between the Senate and the CSB/SJU community (Joyce)
- Updating and improving the Senate website in a timely and professional manner (Joyce)

We plan to continue encouraging and seeking student input for the Saint John's Senate. Upon reelection, we hope to ensure that JEC reports are presented in a more timely matter, and ensure more effective communication between the Senate and the SJU community. We have made it our goal to make the Senate more transparent, as it is critical that student government reflect the ideas and wishes of the student body. We would truly appreciate your vote this Friday, April 17th.
