

Tyler Carlen

FOR SAINT JOHN'S SENATE
Activities and Allocation Board

My name is Tyler Carlen and I am a Sophomore Accounting major on the CPA emphasis also with a Pre-professional Law interest. I am from Knapp, Minnesota where I'm the sixth generation on my family's century farm. This year I was involved in intramurals such as softball and trap shooting. I went to High School at Glencoe-Silver Lake where I have had prior leadership experiences as Vice President in the National Honor Society and Vice President, Secretary and Sentinel in the FFA Organization, and the center of the 2006 Glencoe-Silver Lake Panthers Class 3A State Championship Team. I know what hard work and dedication are all about, whether it's on the football field or corn field. I offer my leadership abilities to serve the students of St. John's as a member of the St. John's Senate. If elected, I will attribute great strength to this well respected St. John's community.

My Seven Goals for my term in office:

1. To see that students are being treated fairly.
2. To see that funding in the SJU community is correctly accounted for.
3. Improve communications with students on a more personal level.
4. Speak for the students who have new and bright ideas and bring them to light.
5. Make the Senate a moving force that effectively represents St. John's University.
6. Provide a voice for the unheard.
7. Commitment to Benedictine Values.

I believe there needs to be a voice on the Activities and Allocation Board, one that stands for students of this University, and one that calls for fair and equal representation of all students.

Thank you for your time,

Tyler Carlen

"Standing for the small and represent them with a Big Voice"
