Victims of crime have the option to report incidents to any “campus security authority” including those individuals noted above. They may also report the incident to local law enforcement (St. Joseph Police 320-363-8250; or, Stearns County Sheriff’s Department 320-251-4240) who work cooperatively with campus security to investigate, affect arrests and move cases forward for prosecution. Campus security administrators attend regularly scheduled meetings with local law enforcement to exchange ideas and discuss problems that may be of concern to the campus communities.
