Common Curriculum

Review Degree Works for your Common Curriculum Progress. [Click here to view Common Curriculum courses for fall term.](#)

Requirements completed or currently in progress	Ideal fall courses	Alternate fall courses

Major, minor, pre-professional course planning

Refer to curricular information on your major/minor department web pages and in Degree Works. Use "What If" in Degree works to see new major/minor combinations: choose Degree=Bachelor of Arts, then choose majors/minors, then "Process What-If."

Major, minor, pre-professional	Major GPA**	Courses completed or currently in progress	Ideal fall courses	Alternate fall courses

*Good academic standing requires 2.0 cumulative GPA. **Major GPA > 2.0 required for graduation and often for acceptance to major.
Note: some majors require higher GPAs.
