Petition to Participate in Athletic Activities
During Semester of Academic Probation

CSB/SJU policy prohibits students from intercollegiate and competitive club sport participation while on academic probation. In these circumstances, students may petition to engage in non-competitive elements of the athletic program via submission of the following information.

Part 1: To be Completed by Student

Student name: ___________________________ Banner ID ______________________

Semester: Fall / Spring ______ Year: 20 __________

Reason for Ineligibility: ___ First Academic Probation ___ Final Academic Probation

Academic Advising Contact ____________________________________________________________________

Intercollegiate or Club Sport _______________________ Coach _______________________

Describe how participation in this activity will support your academic success.

_______________________________________________________________________________________
_______________________________________________________________________________________
_______________________________________________________________________________________
I understand that, if approved,
• I will utilize a semester of athletic eligibility for intercollegiate sports (for in-season practice).
• I am not allowed to compete in or travel for this sport as a representative of CSB/SJU while on academic probation.
• I must submit additional petitions for athletics not identified/approved in this petition or if persisting on academic probation beyond the noted expiration date.
• I may participate in intramural and non-competition activities without petition.

I further understand that any approval may be voided if I
• do not meet regularly with my academic advising contact or
• do not demonstrate adequate academic progress through class attendance and course work.
