

**SEMESTER COURSE OFFERINGS AT THE  
COLLEGE OF SAINT BENEDICT & SAINT JOHN'S UNIVERSITY 2023-2024**

**Spend a semester abroad on a signature program.**

This guide is designed to assist advisors & students in finding courses that fulfill Integrations Curriculum requirements in 2023-2024. Each program has a unique list of course offerings which relate to that country. Please note that courses may change, and we cannot guarantee availability. Consult the website for more details about the precise classes available: <http://www.csbsju.edu/global/find-a-program/semester-programs>

In general, most study abroad programs at CSB+SJU allow you to meet Integrations curriculum requirements and earn some elective credits towards your overall graduation requirement. Some programs may offer the opportunity to take courses towards your major or minor. To explore study abroad course options and how they work with the Integrations Curriculum, Common Curriculum, and departmental requirements, checkout our new [CGE Study Abroad Course Database](#).
