

Tutor Support

If you are seeking a tutor for a specific course you need to consult with your professor first. Each department handles tutoring differently. In some cases you will work directly with your classroom professor in other situations you may have access to a teacher's assistant (TA) or lab/department assistant.

We do have student tutor support in writing, math and English as a Second Language (ESL) through the following help centers:

<http://csbsju.edu/Writing-Center.htm>

<http://csbsju.edu/Mathematics/Studentresources/Math-Skills-Center.htm>

<http://csbsju.edu/Languages-and-Cultures/English-as-a-Second-Language.htm>
