The Center for Teaching and Learning (CTL) will be hosting a book club to read and discuss *Inclusive Teaching: Strategies for Promoting Equity in the College Classroom* by Viji Sathy and Kelly Hogan (2022).

The book club will meet four times between Oct. 24th and the end of the semester. Meetings will be in person (Mondays at 10am) or on Zoom (Tuesdays at 2pm). You are welcome to join our discussion at any time.

**From the cover description:**
“In a book written by and for college teachers, Kelly Hogan and Viji Sathy provide tips and advice on how to make all students feel welcome and included. They begin with a framework describing why explicit attention to structure enhances inclusiveness in both course design and interactions with and between students. Inclusive Teaching then provides practical ways to include more voices in a series of contexts: when giving instructions for group work and class activities, holding office hours, communicating with students, and more. The authors finish with an opportunity for the reader to reflect on what evidence to include in a teaching dossier that demonstrates inclusive practices.”
