

CENTRAL LAKES COMMUNITY COLLEGE

The College of Saint Benedict (CSB) and Saint John's University (SJU) welcome Central Lakes Community College transfer students. All courses from an official transcript will be evaluated to determine which of our Common Curriculum requirements they will fulfill.

Transferable courses are defined as *courses that are similar to a course offered at CSB/SJU, in which a grade of "C" or better was received, and that have a course number 1000 or above*. Note: A minimum of three semester credits is required to complete a CSB/SJU common curriculum requirement, with the exception of fine arts.

At least 45 of the 124 semester credits required for a degree must be earned from CSB/SJU. At least half of the credits required for the major, excluding supporting courses, must be earned from CSB/SJU.

This guide is designed as one tool to aid in your course selections for transferring to CSB/SJU. It is not to be used as an official document in the transfer of courses. CSB/SJU reserve the right to make updates or changes to these guidelines at any time. If you have any questions, contact Teri Durbin, Transfer Student Coordinator, at 800-544-1489 and/or the counseling department at Central Lakes College.

NOTE: The College of Saint Benedict/Saint John's University are currently implementing an innovative new general education curriculum titled Integrations Curriculum. The new Integrations Curriculum will be in effect for students entering fall 2020 and after. The details of how transfer coursework will apply to specific requirements in the new curriculum is still under development. At this time, we will review transfer coursework in terms of fulfilling elective credits required to earn a bachelor's degree at CSB/SJU.
