

STAY HEALTHY

TEST TIME

Let's keep COVID-19 from spreading on campus this year! If you start to feel sick, get tested quickly. You can order free at-home tests at covid.gov/tests or schedule an appointment, call 320-363-5605.

SAFE RETURN

Consider getting tested for COVID-19 before coming back to campus from breaks.

CLASS TIME > SICK TIME

Less time sick means more time in class (or hanging out with friends). Seasonal flu shots, as well as COVID-19 vaccinations, are available at Health Services on both campuses. Schedule your appointment by calling 320-363-5605.

FEELING SICK?

Stay home and get tested for COVID-19 quickly! Let's keep each other healthy on campus this year. Remember to wash your hands regularly and keep some masks and a test kit or two on hand for when needed.
