CHECKLIST FOR GOING HOME TO ISOLATE OR QUARANTINE

☐ Take your technology with you! This includes your computer, headsets, etc.

☐ Don’t forget your textbooks and materials for class. You will be participating remotely and will want to have everything you need to actively participate in class.

☐ Contact your instructor and let them know you will be attending class remotely. Try not to miss any class periods since each one represents a week of classes in the semester structure.

☐ Pack important medications.

☐ You will need to continue to take your temperature so don’t forget to bring your thermometer with you.

☐ Bring clothes (everything from undergarments to coats depending on where you are headed).

☐ Make sure your room is “closed” and you have shut off unnecessary electronics and closed your windows. Don’t forget to lock your door as you leave.

☐ If you are isolating, submit your form with close contact information as soon as possible.
