# YOUNG ALUMNAE PRESIDENT'S CIRCLE

The Young Alumnae President's Circle offers an opportunity for recent graduates to give at leadership levels as they start and progress in their chosen post-graduate paths. Their contribution impacts Saint Ben's on two important levels: first, it provides immediate, critical scholarship support. It also sends a strong message: I understand — firsthand — the transformative educational experience that Saint Ben's provides, and I'm committed to helping other women experience it, too.

The list below celebrates alumnae donors who made outright gifts or sustaining commitments to any fund at Saint Ben's at the level that corresponds with their graduation year. During the 2016 fiscal year, gifts of over \$1,500 translate to membership in both the Young Alumnae President's Circle and the Presidents' Circle.

# CAPITAL SUPPORT: FACILITIES AND ENDOWMENT

The donors listed below made gifts of \$1,000 or more between July 1, 2015 and June 30, 2016. Their generosity builds the long-term strength of the college through gifts that support facilities and strengthen the college's permanent endowment.

Most endowed gifts are directed to scholarships, while others fund endowed chairs, professorships, or programs. Many donors make pledges to the endowment or to capital projects over the course of several years.

# ALUMNAE

Once a Bennie, always a Bennie. Generations of alumnae are united by a shared history that ignited an irrepressible spark. While their paths have led them around the world, the generous alumnae celebrated below are drawn back here to ensure that others have the

same opportunity they did — to think critically, lead courageously and advocate passionately. This year, this elite group of supporters contributed more than \$2.7 million to Saint Ben's.

# PARENTS

Sending your child off to college is a bittersweet experience, but we've heard time and again that the sweetness wins out when that college is Saint Ben's. Parents know — or soon learn — that their daughter is on an extraordinary journey of education and empowerment unlike anything that can be found on another campus. We receive the gratitude of parents in many ways, and one

of those ways is via generous financial gifts. From the parents of current students to the parents of women who graduated decades ago, we count on this support to ensure that future generations of parents will feel the same level of confidence waving goodbye as their daughters embark on the journey of a lifetime. We celebrate the parents listed below for their important support.

# FACULTY AND STAFF

Each year, we're humbled by the generosity of our very own employees. To dedicate a portion of their hard-earned resources back to the institution they already serve speaks volumes about their commitment. It also speaks to their belief in the importance of the work we do.

# CORPORATIONS, FOUNDATIONS, GOVERNMENT GRANTS AND ORGANIZATIONS

We are fortunate to benefit from the generosity of many corporations that match employee gifts to the college. Corporate matching gifts are directed to the funds designated by the employee who initiated the gift, and we encourage each donor to ask his or her employer if they participate in a gift matching program. We also receive many corporate gifts directed by individuals who are friends of the College.

Foundation gifts include contributions from national organizations as well as family foundations established by donors.

The list of government grants includes programmatic support directed to the college. The list does not include funding received from the State of Minnesota or the United States government that is incorporated in students' financial aid packages.
