Welcome to Saint Michael Hall! We are so excited that this day has finally arrived!

When girls first enrolled at Prep in 1973, we did not have housing for them. Over the years, our girls have lived in downtown Saint Joseph, with families as homestay students, at the College of Saint Benedict, and for the last decade on the other side of campus in Emmaus Hall. It has been a long and winding road. Forty-seven years later, we welcome you with great fanfare to your new and amazing home!

Over the past year and half, many people have worked hard to create a remarkable residential space for you. Most of all, we have tried to create great spaces for community. We hope that you enjoy your new rooms, the new kitchen, the awesome fireplace, and (later this spring) the community room on the upper level. I encourage you to take advantage of the opportunities to experience the space, make it your own, and get to know each other better! This is your time and your home!

All the best,

Jon McGee
Head of School

Welcome!!
