Interview Structure:

New applicants will participate in a carousel interview process likely via Zoom or small groups of individuals.

Carousel Interview

The carousel portion of the interview will involve you answering questions geared toward the skill sets of the RA/CA position at tables staffed by current Res Life staff. After each set of questions, you will rotate tables or breakout rooms, giving you and the interviewers an opportunity to get to know one another. This portion of the interview will take approximately 1 hour.

Multiple time slots for the carousel interviews and group interviews will be offered. More information about the interview, including directions to sign up, will be sent out in the beginning of the spring semester.

Interview Tips:

1. Be the *best* version of yourself: highlight your accomplishments and what has made you a great community member at CSB. The interview is an opportunity to brag on yourself and show off the skills that we are seeking for the RA/CA position.

2. Preparation matters. Review the provided questions, the RA/CA job description and be familiar with your application and the information you shared therein. Take advantage of campus resources.

3. Interview dress code is "come as you are", so please feel free to do so. Wear clothing that makes you feel comfortable and confident. This is especially true of the group interview— you will be moving around during this session.

About Placements:
You are welcome to express a preference on placement for the 21-22 academic year, but no placement is guaranteed. You may also choose to apply only for the RA OR CA position, but that may limit your options further. Offers are not negotiable.

Every year, Residential Life may make limited half-year offers to candidates who plan to study abroad, student teach, or graduate early in the following year. These offers are dependent upon making suitable fall & spring pairing during staff selection. Despite an otherwise excellent interview and application, a candidate may not be offered a position due to these circumstances.
