Community Gathering
Survey Results
- nearly 200 residents participated
- strongest motivation factors were incentives and friends attending at 88% and 78% respectively
- 68% prefer to hear about the gathering through email
- other time commitments is the #1 thing keeping people from attending

Mental Health
Your mental health is extremely important. CSB provides a variety of resources to make sure you aren't just taking care of your grades, but your mind as well. Learn more about what's available to you!

Community Standard Reminders

Animal Policy
There is a minimum $50 charge for unauthorized animals. Please review the animal policy in the Residential Life handbook.

Smoking Policy
Smoking and the use of an e-smoking device is not allowed inside any CSB residential building. Please review the smoking policy in the Residential Life handbook and stay at least 25 feet way from entrances if you choose to smoke or use a smoking device.

Windows
Morning frost and chilly temps will cause your space to be cold and damp. Remember to close your windows and place a work order if you have heating/cooling issues.

CARE Housing Staff

Mary Olson

Mary lives on campus with her family and is excited to work along side of the juniors and seniors living in the CARE community. Mary grounds herself in the analogy of "life is like a patch work quilt, we make it together" and is looking forward to see what new patterns will be sewn together this year! The best way to contact her via email at molson003@csbsju.edu
