

Senate

Hello,

My name is _____ and I am from _____ (City, State, Zip). I am calling today to urge Senator _____ to support a clean DREAM Act. For too long, we've been leaving nearly 800,000 people in limbo over their future in this country. With protections for DACA recipients ending March 5, 2018, there is no time to waste. Please support a clean DREAM Act and urge your colleagues to vote on the legislation before the expiration of this most recent continuing resolution. I know there's a lot to get done between now and then, but DREAMERS deserve the right to finally know that they are safe. Thank you.
