Program Highlights

- Attend class during the semester to prepare for this grand wildlife adventure. Lectures, activities, movies, readings and discussions will make up the bulk of our class time.

- When in Tanzania, field days will see our group carrying out observational research on lions, elephants, at least one of the 30 ungulate species, and perhaps one topic of students’ choice.

- Research work involves scientific question development, literature review, study design and implementation, data analysis and poster presentations.

- Cultural opportunities include a visit to Arusha’s Central Market, the Mto wa mbu cultural walking tour, a visit with the people of Maasai and Hadzabe villages, and an afternoon with K-12 children at the Losiwra School.
Housing

- All students in doubles
- All meals included
- Mixture of Hotels and tented camps
