

# General Information on Financial Aid for Semester Study Abroad

CSB/SJU students participating on semester study abroad programs are eligible to apply all their state, federal, and institutional scholarships, grants, and loans to the cost of semester study abroad. Student employment funds are not available during study abroad.

The total cost of a study abroad experience will depend on many factors, including destination, type, and length of the program, local cost of living, and your personal spending habits.

While grants and scholarships do not increase based on the cost of study abroad, you may have access to additional loans. In addition, a few competitive scholarships are available (see reverse).

Below is an estimate of what past participants report spending during their semester abroad. Also review the CSBSJU-Global Portal for more specific information: <https://csbsju-global.via-trm.com>.

\*The number you can influence most is the *Personal & Miscellaneous Costs* figure. This number includes on-site expenses such as laundry, toiletries, phone, entertainment, local transportation (train, bus), etc. You can significantly influence this dollar amount through wise personal choices and budgeting. Please contact CGE with questions.

**Personal & Miscellaneous Costs listed above DO NOT include spending on personal travel before, during, or after the program. The costs listed above solely reflect on-site spending.** The cost of personal travel varies depending on destination and travel choices. For personal travel cost estimates based on program, please contact CGE.

## EXTERNAL STUDY ABROAD PROGRAMS

Costs for study abroad programs not affiliated with CSB/SJU vary greatly. It is up to you to determine tuition, fees, housing & meal contracts, and other expenses for non-CSB/SJU programs. It is important to know what is included and what is not; do not just focus on the sticker price.

Note that students on external programs will not pay on-campus tuition or housing & meal contracts. As a result, you will not be able to apply your CSB/SJU institutional financial aid (i.e. President's or Trustees' Scholarships, CSB/SJU Grants, Music or Theater Scholarships, etc.) during your semester on an external program. You will still have access to your state and federal aid.

## QUESTIONS?

The Center for Global Education encourages you to make an appointment with the CSB/SJU Financial Aid Office to discuss questions about financing study abroad not answered here.
