

Center for
GLOBAL EDUCATION

Fall 2021 Study Abroad Community Standards

- All students must arrive in their program country on the designated date for group quarantine to begin.
- No travel will be allowed outside the program country during program dates. Travel outside of the program country is grounds for immediate removal from the program.
- Students must abide by local health and program partner regulations.
- Students must abide by all quarantines and curfews imposed by local governmental authorities. Student movement within country may be restricted.
- Student understands that while we strive to provide in-person learning, hybrid and/or remote learning remains a possibility.
