

COLLEGE OF SAINT BENEDICT

2022-23 Financial Aid Information

Your financial aid award is based on our review of your Free Application for Federal Student Aid (FAFSA) and a standard cost of attendance using on-campus housing and meal rates. Living at home or in an off-campus apartment may affect your need-based aid eligibility. If there have been changes to this information since the end of 2020 that have not been communicated to the Financial Aid staff, please contact the Financial Aid Office. Examples of changes that could affect financial aid eligibility include loss of employment, decrease in wages or an increase in medical expenses. Any changes to the family's financial situation, occurring during the 2022-23 school year that substantially affect the student's ability to pay, can be reported to our office for reconsideration of the student's financial aid.

CONSUMER INFORMATION

Federal law requires colleges and universities that offer federal financial aid to provide consumer information to students. Consumer information for CSB/SJU is located at www.csbsju.edu/About/Consumer-Information. Additional information regarding Academic Affairs, Career Services, Student Development, Security & Life Safety, the Registrar's Office and Financial Aid can be found at this site.

BILLING

The above costs are divided equally between fall semester and spring semester. Students will be billed for the first half (fall semester) in July and the second half (spring semester) in December. The first payment for fall semester is due August 10; for second semester, the first payment is due January 10. All scholarships and grants from the college, state and federal sources are applied to a student's account with one half of the amount credited for fall semester and one half for spring semester. Earnings from on-campus employment may be applied to the student's account or used by the student for personal expenses. Loans are applied directly to the student's account with one half of the amount credited for fall semester and one half for spring semester. Outside scholarships are credited to the account as they are received by the Student Accounts Office. A monthly payment plan is offered by the college to pay the remaining balance on the account after financial aid is applied. There is a 1% per month finance charge (annual percentage rate of 12%) for this payment plan. More information on payment options can be found on the Student Accounts website: www.csbsju.edu/Student-Accounts.

STUDENT EMPLOYMENT

- A student employment award is listed on the award letter for all returning students who worked on campus during the 2021-22 academic year. If student employment is not listed and you worked on campus in 2021-22, please email the Student Employment Office at seoffice@csbsju.edu.
- Students are paid only for hours worked; students working fewer hours than required will not earn the full amount of the student employment award listed on the award letter.

STUDENTS NOT OFFERED EMPLOYMENT AS PART OF FINANCIAL AID AWARD

- Students interested in working should email the Student Employment Office at seoffice@csbsju.edu.
- Students will then receive information from student employment about how to apply.

ADDITIONAL INFORMATION

LOAN TRACKING

Students are encouraged to monitor their student loan indebtedness. Loans are listed on Banner Web Self-Service under Financial Aid, Loan History. In addition, students may find it helpful to use the loan calculator available at www.finaid.org to calculate future loan repayment.

ENROLLMENT STATUS

Students must be making satisfactory academic progress toward a degree in order to continue to receive financial aid. Financial aid includes all scholarships, waivers, grants, student employment and loans offered through the college, federal or state government. The satisfactory academic progress policy is published on the financial aid website: www.csbsju.edu/financialaid/policies.

Most financial aid programs, including CSB/SJU scholarships, require full-time attendance (12 credits per semester). Students enrolled less than full time will have their financial aid prorated based on enrolled credit hours. The Minnesota Grant program requires students to enroll in 15 credits per semester to maintain their full eligibility. A reduction in credit load may necessitate a reduction to the Minnesota Grant.

REAPPLYING FOR AID

Financial aid is awarded on an annual basis, and students may reapply each year by completing the FAFSA and, if selected for verification, the CSB/SJU Verification Worksheet. Students will continue to receive aid, subject to program limits, as long as they are maintaining satisfactory academic progress and continue to demonstrate financial eligibility.
