

SAINT JOHN'S UNIVERSITY

2022-23 Financial Aid Information

Your financial aid award is based on our review of your Free Application for Federal Student Aid (FAFSA) and a standard cost of attendance using on-campus housing and meal rates. Living at home or in an off-campus apartment may affect your need-based aid eligibility. If there have been changes to this information since the end of 2020 that have not been communicated to the Financial Aid staff, please contact the Financial Aid Office. Examples of changes that could affect financial aid eligibility include loss of employment, decrease in wages or an increase in medical expenses. Any changes to the family's financial situation occurring during the 2022-23 school year that substantially affect the student's ability to pay may be reported to our office for reconsideration of the student's financial aid.

COSTS FOR 2022-23

Tuition and Required Fees	\$52,164
Average Double Room	\$5,658
Meal Plan	\$6,232
Total	\$64,054
Estimated Cost of Books	\$1,000

Room rates for on-campus housing and meal plan rates are listed online at www.csbsju.edu/Student-Accounts/Educational-Costs.

BILLING

The above costs are divided equally between fall and spring semesters. Students will be billed for the first half (fall semester) in July and the second half (spring semester) in December. The fall semester payment is due August 10, and the spring semester payment is due January 10. All scholarships and grants from the university, state and federal sources are applied to a student's account with one half of the amount credited for fall semester and one half for spring semester. Earnings from on-campus employment may be applied to the student's account or used by the student for personal expenses. Loans are applied directly to the student's account with one half of the amount credited for fall semester and one half for spring semester. Outside scholarships are credited to the account as they are received by the Student Accounts Office.

A monthly payment plan is offered by the university to pay the remaining account balance after financial aid is applied. There is a 1% per month finance charge (annual percentage rate of 12%) for this payment plan. More information on payment options can be viewed on the Student Accounts website: www.csbsju.edu/Student-Accounts.

CONSUMER INFORMATION

Federal law requires colleges and universities that offer federal financial aid to provide consumer information to students. Additional information regarding CSB/SJU's policies regarding Academic Affairs, Career Services, Student Development, Security & Life Safety, the Registrar's Office and Financial Aid can be found at this site.

- Students are paid only for hours worked; students working fewer hours than required will not earn the full amount of the student employment award listed on the award letter.

STUDENTS NOT OFFERED EMPLOYMENT AS PART OF FINANCIAL AID AWARD

- Students interested in working should email the Student Employment Office at seoffice@csbsju.edu.
- Students will then receive information from student employment about how to apply.

ADDITIONAL INFORMATION

LOAN TRACKING

Students are encouraged to monitor their student loan indebtedness. Loans are listed on Banner Web Self-Service under Financial Aid, Loan History. In addition, students may find it helpful to use the loan calculator available at www.finaid.org to calculate future loan repayment.

ENROLLMENT STATUS

Students must be making satisfactory academic progress toward a degree in order to continue receiving financial aid. Financial aid includes all scholarships, waivers, grants, student employment and loans offered through the university, federal or state governments. The satisfactory academic progress policy is published on the financial aid website at www.csbsju.edu/financialaid/policies.

Most financial aid programs, including CSB/SJU scholarships, require full-time attendance (12 credits). Students enrolled less than full time will have their financial aid prorated based on enrolled credit hours. The Minnesota Grant program requires students to enroll in 15 credits to maintain their full eligibility. A reduction in credit load may necessitate a reduction to the Minnesota Grant.

REAPPLYING FOR AID

Financial aid is awarded on an annual basis and students must reapply each year by completing the FAFSA and CSB/SJU Verification Worksheet. Students will continue to receive aid, subject to program limits, as long as they are maintaining satisfactory academic progress and continue to demonstrate financial eligibility.
