

Proof of High School Completion

Federal regulations require that students submit a final high school transcript in order to receive any Title IV (federal) financial aid. This includes Federal Pell and SEOG Grants, Federal Work Study funds, Federal TEACH Grant and Federal Direct or Perkins Loans. Your federal aid cannot be applied to your student account until this requirement has been satisfied.

Provide a copy of the student's final official high school transcript which shows the date the high school diploma was awarded.

If the student is unable to obtain this documentation, contact the applicable financial aid office listed below.
