The CSB|SJU herbarium is named after Gordon and JoAnne Bailey. The Bailey name is familiar to plant lovers because they own and operate Bailey Nurseries, Newport (MN), one of the largest wholesale nurseries in the upper Midwest. The Bailey's have a long history of association with the colleges. Gordon graduated from St. John's and has served on the St. John's Board of Regents and the Council of the St. John's Abbey Arboretum. Several of the Bailey children also attended SJU|CSB. In recognition of their generous support of Saint John's, the Herbarium was named after the Bailey family in 1999.

Figure 1. Gordon and JoAnne Bailey visit the herbarium, Fall 2000.
