Updated on 5/1/2021

1. "Need-based aid applicants" reflects only those who submitted a FAFSA
2. Percent applying for need-based aid reflects total number of students who submitted a FAFSA financial aid application divided by total freshman to senior enrollment. Application does not imply eligibility for need-based aid.
3. Ability to pay derived from FAFSA and reflects only those seeking need-based financial aid.  
Ability-to-pay capped at price of attendance.
4. Ability to pay data provided for dependent (traditional-age) students only.
5. Price of attendance includes tuition, fees, room, board. \*
