

Fall 2020 Orientation Guidebook Instructions:

iOS Device Instructions:

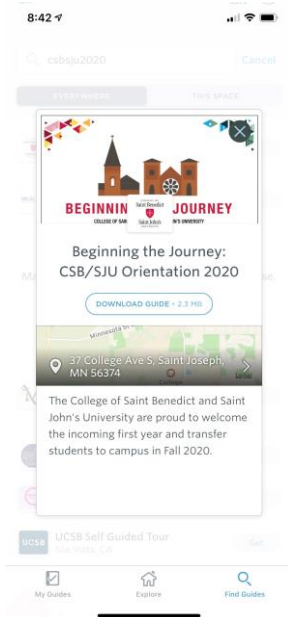

1. Go to the App Store on your device and search for Guidebook. Install the application to your phone. This will take a few minutes. (See Image #1 for reference)

2. Once the Guidebook app installs on your device, open the application and select Find Guides at the bottom of the screen. Enter **csbsju2020** in the search box to locate the Orientation Guide (See image #2 for reference). You may need to select the “Guides” option on the top right of the screen (see image #3 for Reference)

- When CSB/SJU Orientation 2020 appears in the search results, click on the guide to select it. Select the “Download Guide” Option in the middle of the screen (See Image #4 for reference). After downloading is complete, select Open Guide.

- Now CSB/SJU Orientation 2020 will be on your Guidebook app each time you click the Guidebook icon on you applications screen (See Image #5 for reference).
