

# Saint John's Arboretum Presents

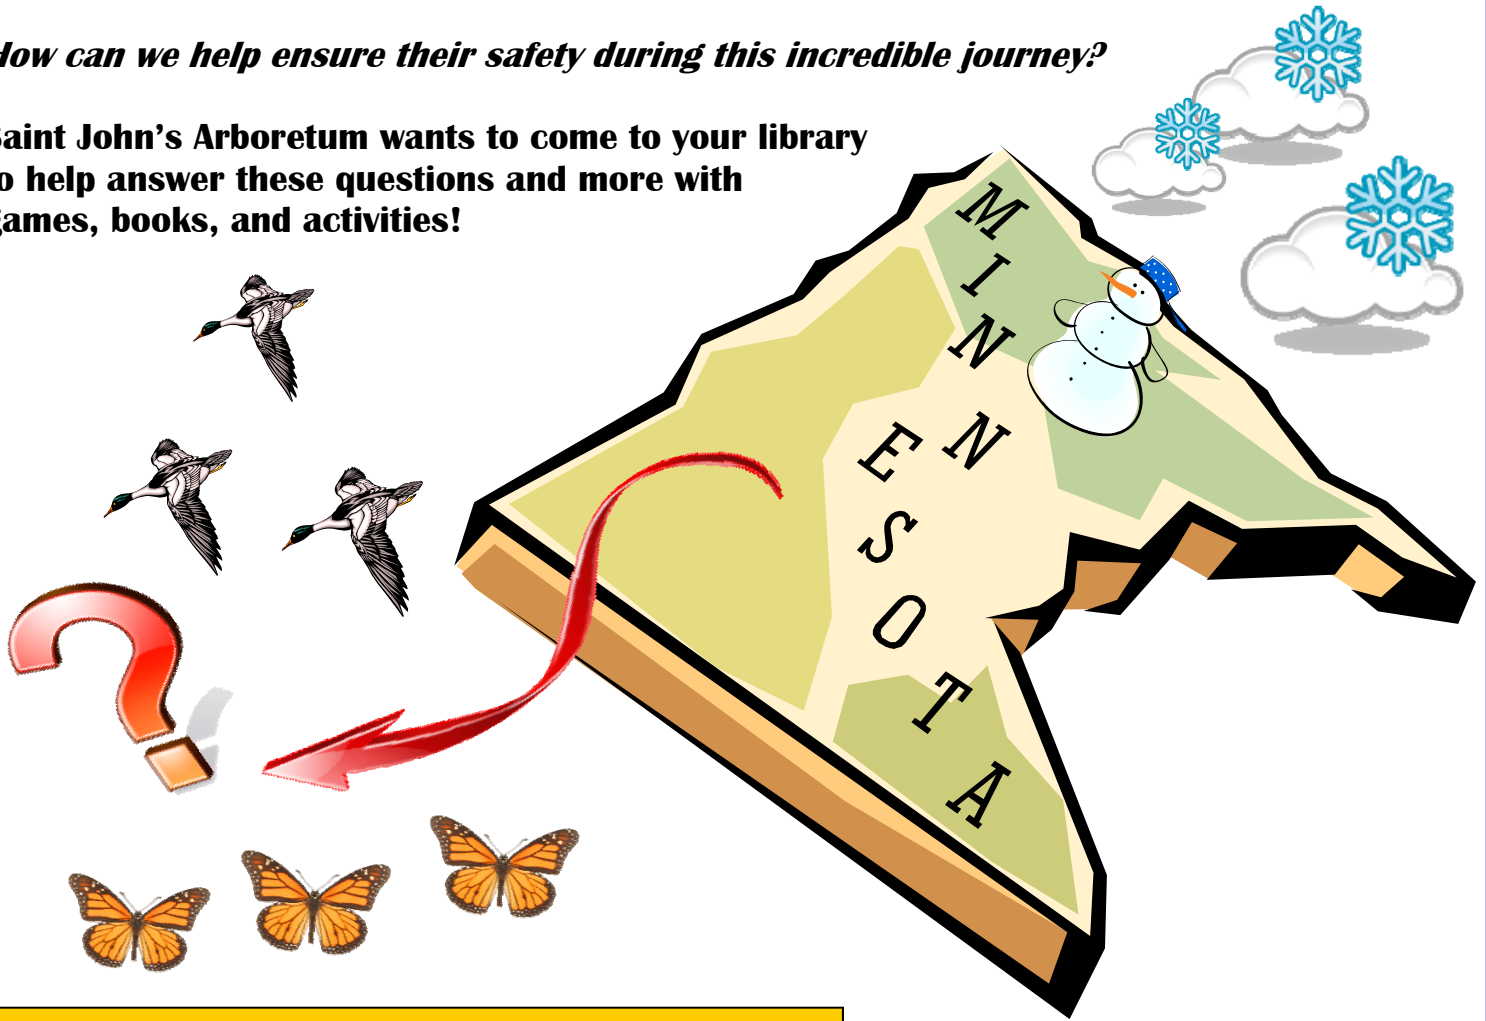

# MIGRATION

Winter migration of Minnesota animals raises so many questions...

*Why do they leave? Where do they go? How long are they gone?*

*How can we help ensure their safety during this incredible journey?*

Saint John's Arboretum wants to come to your library to help answer these questions and more with games, books, and activities!

*Migration* is a one-hour program geared towards children ages 3-12.

Hands-on activities and materials included.

*Program available January 4 - March 6, 2010*

For more information, prices, and scheduling, please contact:
