

Minnesota's Wintry Feathered Friends

Ever wondered which birds stay around in the cold winters?

If birds can't put on sweaters how do they stay warm?

What do birds eat when everything is frozen?

Learn the answer to these questions and more!!

The *Minnesota Wintry Feathered Friends* program is geared towards children ages 3-12. Cost for the program is \$40. Hands-on activities and materials included.

Program available January 12th through March 6th, 2009
