## GREEN FUND PROPOSAL

2. Who are your project's stakeholders? Please list other people, campus or community groups, departments, clubs, or organizations whose support you will need to ensure the success of your project.

3. Which of the above people or groups have you already connected with about their involvement in your project?

4. Please describe the proposed timeline of your project. Include your estimated start date, estimated completion date, the estimated life span of your project, as well as specific action items and milestones along the way. *You may attach this as a separate spreadsheet if you prefer.*

5. How will information about your project's goals, implementation, progress, and results be shared with the CSB community?

**GREEN FUND PROPOSAL**

SECTION 4 - PROJECT FINANCING	
1. Please list a comprehensive, itemized budget for your project. Include any costs you foresee, and estimate pricing to the best of your ability. <i>Potential costs may include, but are not limited to, equipment/materials/products/supplies, professional work/installation/design (should be minimized by using in-house labor whenever possible), community education/marketing/outreach/publicity (costs should be minimized), and ongoing staffing/work (only should the project merit it, and preferably by a student employee). You may attach this as a separate spreadsheet if you prefer.</i>	
2. Please list any supplemental sources of funding for your project (e.g. rebates, state or federal incentives).	
3. How much are you requesting, in total, as a grant from the Green Fund?	

**Thank you for proposing a project to the College of Saint Benedict Green Fund!**

**Please submit your completed proposal form via the CSB Sustainability-Green Fund website, and the CSB Sustainability Office will contact you about next steps once it has been received and reviewed.**
