How to Create an Alert:

Flags, Referrals, To Do's and High Fives

Cancel

When you have a concern with a particular student, raise a flag, to-do, or referral to communicate your observations. The appropriate individuals will be automatically notified when you save the item.

- 1. Click on the Students navigation item to see your list of students.
- 2. Find the desired student by typing the name into the Search box.
- 3. Click on the student's name to bring up the Student Folder.
- 4. Click the Flag button.

A list of flags that you have permission to raise on this student is displayed.

- 5. Select the desired Flag from the list.
- 6. If relevant, select a course from the Course Context, drop down list, and enter notes in the Comment box.
- 7. Click the Save button.

- Student View: indicates whether the student can view the flag and the notes you include in the Comment box.
- The Permissions area lists roles that have permission to view the selected flag and the notes you include in the Comment box.
